Rose de Mer

Reveal a better you

Natural powerful peeling

Rose de Mer is a 100 percent natural professional peel designed to leave skin looking young and healthy. Featuring a combination of marine plants, minerals and salts, Rose de Mer peels and resurfaces skin with minimal skin trauma. The Rose de Mer peeling solution brings visible improvement to a variety of skin conditions.

CHRISTINA

It just works

FluorOxygen+C

Brighten your day!

Sun damage and hyperpigmentation correction

Fluoroxigen+C is a multidirectional treatment for hyperpigmentation and photo damage. It lightens visible epidermal layers, while regulating melanin production in the deeper dermis. In combination with its home use products, Fluoroxigen+C provides long-term protection against biological and environmental factors that cause discoloration.
