Looking to offer products designed to treat menopausal skin? Check out the following options.

AMBÉ Private Client Formulations: These products correct the multiple factors that contribute to the appearance of aged skin, including wrinkles, fine lines, dullness, pore size, skintone, dehydration, uneven pigmentation, age spots, and rough texture. (949) 759-5539; www.ambe.net

Bioelements Advanced VitaMineral C Complex: With a double dose of natural and cosmeceutical vitamin C, as well as minerals that help ward off unwanted toxins that cause dullness and aging, this complex clarifies, brightens, and energizes and helps skin repair itself naturally. (800) 433-6650; www.bioelements.com

BiON Research Bio-Essence Nighttime Calcium Complex: Enhanced with calcium, this product stimulates cell renewal and significantly hydrates skin to cause a flattening of lines and wrinkles. It is ideal for use after microdermabrasion, peels, and laser treatments. (402) 438-5929; www.bionresearch.com

Control Corrective Retinol-C Serum: Distributed by Universal Companies, this potent resurfacing and antioxidant serum reduces fine lines, lightens pigmentation, improves skin elasticity, and aids in the reduction of breakouts. (800) 558-5571; www.universalcompanies.com

Cuccio Naturalé Deep Dermal Transforming Wrap: This hydrating wrap is infused with a cocktail of antioxidants that nourish dry skin, including comfrey root, grapeseed extract, green and white tea, and pomegranate extracts. (800) 762-6245; www.cuccio.com

Christina Wish Radiance Enhancing Cream: This active alpha-hydroxy cream with 10 percent glycolic acid contains retinol for enhanced glycolic activity. It promotes natural skin rejuvenation, smoothes skin, lightens hyperpigmentation, creates a radiant appearance, and boosts moisture. (800) 604-6268; www.christina-cosmeceuticals.com

Dermagenics Collagen Recovery Cream: This cream reduces dryness, redness, and irritation. It also reduces fine lines and wrinkles by plumping and firming the skin. (888) 988-DERM; www.dermagenics.com

Éminence Organic Skin Care Eight Greens Youth Serum: This lifting and regulating serum for breakouts and hormonally imbalanced skin contains organic phyto-estrogens that lift facial contours and treat the signs of aging. (888) 747-6342; www.eminenceorganics.com
